

## **ENVIRONMENTAL POLICY**

Grab Away Services Ltd is a waste management haulage company. The responsibility for managing and maintaining the policy lies with the Board of Grab Away Services Ltd and the general implementation is also the Boards responsibility.

Grab Away Services Ltd is an environmentally conscious and responsible company. To carry out this commitment, it is Grab Away Services Ltd's policy to strive to ensure that all aspects of the business have the least harmful effect on the environment by implementing an environmental system to:

- Be fully aware of all environmental legislation and ensure that regulatory requirements are met and, where feasible, improved upon
- Monitor the implementation of the policy by carrying out periodic audits of compliance and, when appropriate, introduce remedial measures
- Ensure all employees, in the course of their duties, act in accordance with the environmental policy
- Encourage suppliers and customers to act in accordance with our environmental policy

In addition, areas of particular attention within the business will be the selection of non-polluting technology, waste minimisation, reuse/recycling and the reduction of energy consumption. Grab Away Services Ltd also make a positive environmental contribution in the local community by encouraging open communication, general environmental awareness and the promotion of community projects.
